# Stand-Out @ Jubilee

In behalf of the National Executive Council NEC, of our great fellowship, I like to announce the most remarkable Convention of the Full Gospel ever held on the Nigerian soil, **the Abuja 2010 Convention**. The Convention has the outstanding and auspicious theme; "**Stand-Out At Jubilee.**" God commands that jubilees be celebrated among His people every 50 years. Jubilees are usually times of RELEASE from all Bondage, Slavery, Indebtedness and Oppression. God therefore, contends with any power or person that violates this divine injunction.

As a fellowship in Nigeria, year 2010 marks a new dawn for us as we shall experience unprecedented supernatural emancipation from obscurity, fear, wickedness and oppression as we set out to serve the Lord Jesus. The chains of imprisonment, yokes of limitation, bonds of oppression, spells of fear and fetters of stagnation shall be broken by the anointing of the Jubilee.

God's purpose here, is to raise an exceeding army of peculiar soldiers unto Himself. The Lord's friends in the city shall occupy for Him in all fields of human endeavour. We shall stand tall in righteousness above the reproach of men. Our voices will command authority that will guarantee greater works than Jesus did while on earth.

Proverbs 12:26 (kjv) affirms; "The righteous is more excellent than his neighbour."

The Convention Planning Committee and the Convention Action Committee are already in motion, under the unction of the Holy Spirit, to raise for us choice vessels of honour who shall command an uncommon outpouring of God's grace and anointing for distinction and fruitfulness in life.

At Abuja 2010 Convention, I see men and women, boys and girls walking out of shame and sorrow, out of dejection and disease, poverty and lack, doubt and indebtedness, disappointment and failure into their glorious liberties.

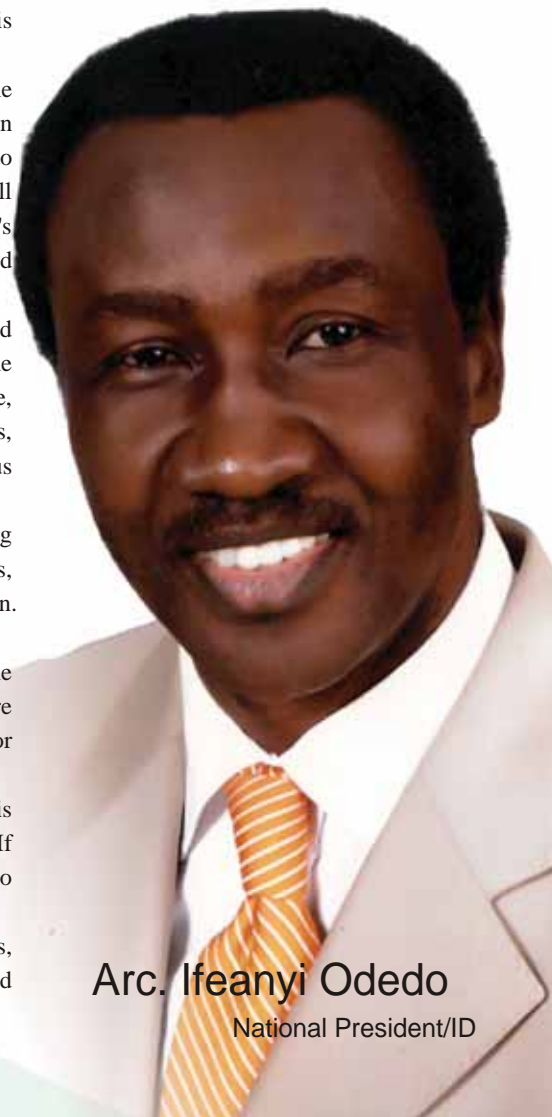

I hear the sound of Rejoicing heralding multiple dedications of lives, new homes, babies, ministries, cars, factories and on and on. The Lord's zeal shall perform these.

I also hear the cry of agony in the camp of the enemy as even the lawful captives are delivered. Men will trade their sins for Salvation and Victory.

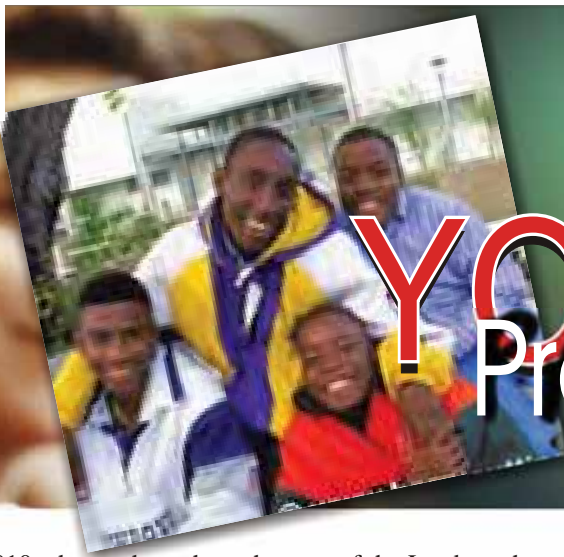

I therefore, personally invite you to attend this life-changing event with your whole family. If you miss this move, it means you will have to wait for another 50 years for the next edition.

All is set. Therefore, mobilize your chapters, neighbours, relatives, friends, colleagues and above all PRAY and PLAN to attend.

**It shall be great and glorious.**

Arc. Ifeanyi Odedo  
National President/ID

# YOUTH Programme

Come August 18-21 2010, the City of Abuja will witness what the Youth Committee calls 'The Big One'.

God's intention for us is that we reproduce ourselves spiritually, by impacting on our younger ones Biblical principles and values, to empower them rule their world in righteousness as they grow into Adulthood. This intention will be fulfilled if we, as parents carry our younger ones (Youths) along to teach or

show them the way of the Lord, so that when they get old they will not depart from the way.

Abuja 2010 Youth Programme is another opportunity for us to lay such a foundation. Come to Abuja National Convention 2010 with your children, don't leave them behind. Registration for the youth is N200 Naira only. Register early to enable us plan property for them. There will be inspiring Messages that border on spiritual growth, Career guidance, counseling outreach, sex

education, testimonies, bible/Full Gospel Literature, Quiz and lots of other exciting activities . And choice resources persons you can't afford to miss listening to. Don't miss the Action. Abuja is Ready.

For more information, contact.

## CHILDREN'S TIME-OUT TOO

Children are not left out in the grand design for the convention. A children specialty group has been engaged to package a plan that will connect with their interest for an exciting, refreshing and memorable holiday.

HIGHLIGHTS include:  
camps, quizzes, games, character moulding, exciting

bible stories and lots more.

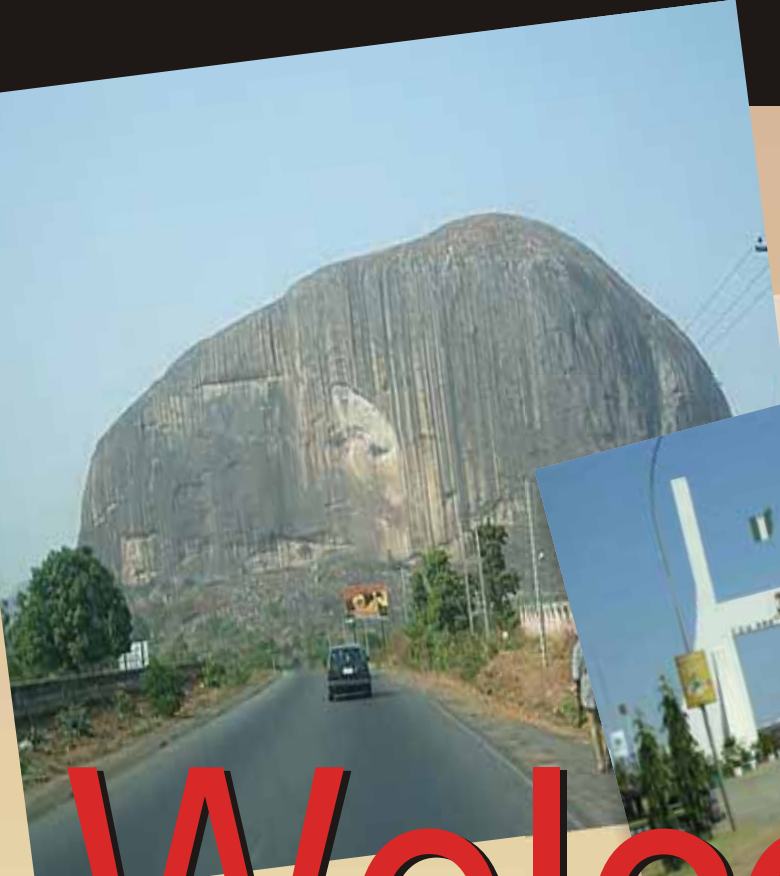

Please don't leave them out in your plan.

## Business Opportunities

Spaces have been provided for business owners and vendors who will like to take advantage of the usually profitable opportunities we have during the convention. The various categories include:  
Food Vendors, Books/Souvenirs/Memento dealers and for adverts in the brochure. Remember that all materials bearing FGBF logo must receive prior approval of NEC before it can be allowed for display.

# Welcome to ABUJA 2010

Barr. Isaac Okpanachi (CPC Chairman)

**B**eloved of God and called to be saints, I welcome you all to Abuja with great joy and gladness. Grace to you all and peace from God the Father and from our Lord Jesus Christ from the beginning of this new year to the very end of it.

This year is going to be momentous for us as a fellowship and as a nation. A National Convention of Full Gospel Business Men's Fellowship International at Abuja in the year Nigeria turns 50 (just two months before the nationwide celebration) could only have been put together by God.

Let me remind us of the enormous expectations of God from you as a person in the life of this nation. The Lord needs a friend in the city: indeed a Hushi to throw a spanner into the devil's plans for your nation, your state, family and for yourself.

Great are His expectations and I know you also will not cut them off. Our convention this year is going to be in the proportion of a World Convention. We are expecting our members from all over Africa, the Caribbean Islands, USA and every state of the Federation.

Expect a gathering of nothing less than 30,000 businessmen, businesswomen and professionals in all fields. We are fielding world class teachers, preachers, testifiers and music artistes. This is not a convention to contemplate missing. His presence above all will be here. So plan to attend with your whole family. Please block August 18<sup>th</sup> - 21<sup>st</sup> 2010 NOW.

Soon our emissaries will be visiting your regions, districts, zones, areas and chapters to promote the convention and give more detailed

information and solicit your support in several areas. Please give them your maximum co-operation. The limitless God will undergird you with limitless resources for His glory this year.

*You are heartily welcome.*

# Stand Up and Be Counted

## GOD IS DEPENDING ON YOU

A partnering strategy for funds mobilization has been adopted. It spans from 10,000 to over a million Naira. Members are encouraged to take advantage of the wide spectrum to be part of the harvest that will be unleashed by reason of their seeds. Fund raising dinners will also take place in some selected cities that will be made known in due course.

# MARKETPLACE Outreaches

It's a new move, It's an exciting vision that started in Owerri Regional Convention and is spreading throughout the whole world. The M.P.O. model has become a driving force in our conventions.

The path of the M.P.O. by the Special Grace of God is shining better and better with great harvest/New converts, Holy Ghost Baptism, healings, voice magazines distribution and many signing up to be part of this GREAT FELLOWSHIP for THE ENDTIME WORK.

Based on the successes in the past conventions, we are planning a total of 300 outreaches during the Convention at an average cost of N60,000 per meeting

Preliminary planning has started and proposal for funding is as follows:

- 100 outreaches: Abuja Chapter (At least 100 Chapters)
- Next 100 outreaches: Personal Sponsorship
- Final 100 outreaches:

Each State in the Federation to sponsor between 1 to 5 Outreaches and this will be worked out with the CPC

However, God has gone ahead of us as sponsorship pledges were raised in Awka and also in the December Prayer Summit at Abuja giving a total of 174 full sponsorship and another 5 part sponsorship.

Everybody should be a part of this, we need more 126 sponsors, 300 Main Testifiers, First Testifiers, MCees, Promoters of Voice/Membership and coordinators for the Outreaches.
